Aims Games Recap

We're delighted to share that our akomanga recently took part in the AIMS Games, an exhilarating event that showcased their skills in netball and basketball. This year, over 13,000 young athletes from across Aotearoa came together, creating a vibrant and competitive atmosphere full of energy and mana. Our teams faced many strong opponents, experiencing both the thrill of victory and the valuable lessons that come from defeat. Each match highlighted their hard work, commitment, and sportsmanship, and we are immensely proud of how they represented our kura on such a significant stage. A heartfelt thank you goes out to the many dedicated whānau and staff who supported our teams throughout the week. Your unwavering encouragement uplifted our athletes' spirits and enriched their experience. The sense of community and pride during this event was truly inspiring, reflecting the strong support network we have at our school.

School Production Update

We are thrilled to share that our School Production is in full swing. Last night's performance was nothing short of amazing, with a full audience that celebrated the hard work and immense talent of our students. From captivating performances that left the crowd in awe to stunning set designs that transformed the stage, it was a night to remember. We take great pride in the dedication our students have shown during rehearsals, which truly shone through in their exceptional performances. As we prepare for the upcoming show tonight, we kindly ask for your patience and cooperation regarding traffic in the area during pickup times. The parking lot can become quite busy with buses coming and going, so we encourage you to plan your arrival to ensure a smooth and safe pickup for everyone. Your understanding and support during this bustling time are greatly appreciated. Thank you for your ongoing engagement in our school community. We look forward to seeing you at our upcoming performance—your presence adds a special touch for our talented students and enhances the excitement of the event.

Nā reira, kei te mihi nui ki a koutou katoa, me ngā tino akomanga e pānui ana i a koutou.
