

Kia ora whanau

We have reached the end of term 3 and I want to take this time to acknowledge the incredible job that all of our staff and parents have done, supporting our students both at school and out in the community in a wide range of sporting, cultural and academic activities. Without this continued support our children would miss out on these exciting opportunities.

The production was a huge highlight of this term and I look forward to our Senior Kapahaka group "Huia Kaimanawa" performing at the Regional competition next term.

Have a great holiday break with your Tamariki. Jo Reiri-Tatana
