## ISSUE NO. 4 22 February 2024

Kia ora whānau

We are a Positive Behaviour for Learning school and expect all students to uphold our school values at home and at school - Respect, Excellence, Acceptance, Creativity and Honesty. These are explicitly taught in each class weekly and are interwoven into all curriculum areas. We have noticed in the past week a few students pushing these boundaries. Disrespect, name calling and other forms of bullying will not be tolerated. Parents will be called and behavioural contracts will be put in place. We expect school to be a safe place for all tamariki.

We have some exciting projects in the pipeline for 2024, including improvements in our outdoor environment and a revamp of the library block. We intend to develop this block into a Modern Learning Hub that includes STEAM activities

We will continue to receive school lunches for every child every day, as part of the MOE Healthy School Lunches Programme. Compass will cater for our kura on a Monday, Wednesday and Friday, Tuesday is Subway and Thursday is Pita Pit. We have been very impressed with the food thus far.

This term will be action packed so keep your Term 1 calendar handy to keep up with events. We look forward to a productive year.

# STEAM Hub at NSS

This year we have opened a STEAM Hub at North Street School with all tamariki having a full day each term to learn and explore. This terms focus is plants.

Hi, we are from Room 14 and today we did STEAM! We learnt about plants and how they grow. We had lots and lots of fun and hope we get to do it again soon. Mrs Jeric lets us do fun activities all day long. From Marlee and Yasmin
